Hampton Roads Youth Foundation

Formed in 1997, the Hampton Roads Youth Foundation (HRYF) was established with the objective of providing educational, social, and economic programs for youth in the Hampton Roads communities. The HRYF has worked successfully with allies who believe, support, and stand for the same principles on which the organization was founded. From strategic partnerships to tireless volunteer labor, the HRYF has evolved to meet current social changes, while still remaining true to its original mission.

Partially bordered by the Hampton Roads harbor and Chesapeake Bay, Hampton, with the 344,000 sq. ft. Hampton Roads Convention Center and the award-winning Hampton Coliseum, is located in the center of Coastal Virginia and the Hampton Roads metropolitan area. Hampton is the site of America's first continuous English-speaking settlement, the site of the first arrival of Africans in English North America, and is home to such visitor attractions as the Virginia Air & Space Center, Fort Monroe National Monument, Hampton History Museum, harbor tours and cruises, Hampton University Museum, The American Theatre, among others.
